

QCS

Qatar Computer Services

Company Profile

About Us

Qatar Computer Services WLL is a leading IT company established in the year 1978, as a subsidiary of Gulf Group Holding Company which has diversified business interests in The State of Qatar.

QCS began journey as a Micro Film Solutions provider in its infant days. In a short time frame, QCS turned in to an IT company and was appointed by WANG USA as their business partner in the State of Qatar. With a number of major clients under its wings, QCS had a very successful decade until the mid Nineties, when Proprietary systems gave way to Systems based on Open Architecture. With the advent of Open Systems, QCS moved ahead establishing partnerships with global technology providers and developing necessary internal skilled resources.

Today, QCS, as an ISO 9001-2008 certified organization, offers a broad spectrum of Enterprise IT Solutions & Services. Our Motto, "Customer First", is a true reflection of Prompt Quality Services that we deliver to our privileged Customers. We work very closely with our Technology Partners to ensure that our esteemed customers get the benefit of robust and innovative Products & Solutions aimed to enhance their operational efficiency.

QCS caters to clients in both Enterprise as well as SMB sectors. We represent a number of Global Technology providers such as IBM, Cisco, Riverbed, VMWare, Avocent, Adventnet, Lenovo, OKI, Fujitsu, Quantum, Motorola, Zebra, Trend Micro, RSA, Websense, Sonicwall, ScreenCheck, TSB, Ultimius, Sakhr, Microsoft, Oracle etc.

QCS has a strong team of vender certified professionals dedicated to ensure customer delight and satisfaction, with a true partnership spirit.

QCS enjoys a formidable position among the local IT Companies in providing excellent Customer Care.
